## THINGS TO NOTE

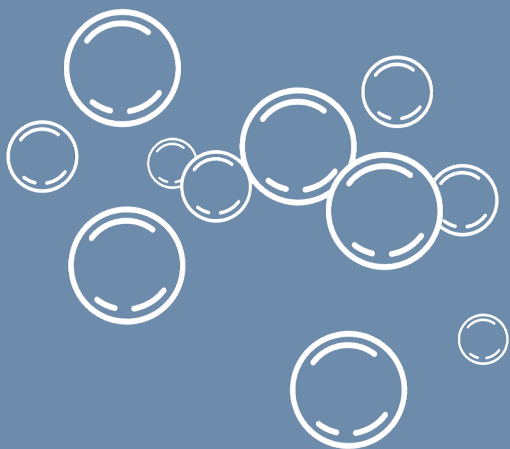

- Our cleaners **are company trained** before they clean any residential home solo to ensure they are properly trained to clean your home to perfection and without preventable damage.
- You have a **client profile** that our cleaners see on their **company app** where we can detail booking specifics and notes to provide you with the most consistent service.
- Our all-purpose cleaner is non-toxic and safe on all surfaces including stone, marble, and wood.
- Our glass cleaner is ammonia-free and non-toxic.

## SERVICE INCLUSIONS/EXCLUSIONS

- **Complimentary disinfecting** on often **touched surfaces** such as **door knobs and light switches** on all bookings.
- Beds will be made when clean sheets are provided.
- Laundry or folding is not included in any service.
- Chandelier, curio cabinets or fine dishware cabinet dusting is not included in any service.
- Excessive mold, mildew or hard water spots may not be fully removed.

Our products are mostly non- toxic/non-abrasive and will not remove all tough stains. Vents including ceiling, intake and bathroom vented fans are not included with any service. We do not descale shower heads, faucets, water dispensers or other calcified buildup. We do not clean biohazards including bodily fluids, pet waste and toxic chemicals.

**Have questions about service inclusions or how you can customize your booking? Give us a call at 813-670-9639 and we would be happy to help.**
